

## TEAM HISTORY

The original team was formed in 1973, under the direction of Maureen Latimer, the founder of the club. The highlight of that year was a trip to Toronto to take part in "Kingston Tercentennial Day Celebrations" at Ontario Place. It was disbanded shortly after and it wasn't until 1977 that the present team was formed. Among our teachers we have had, Allan Clapperton, Les Smith, Harry Holland, Art Hutchinson, Rich Westhead and for 12 years Vi and Chris Driver who took over the helm. Due to ill health, they retired recently and for the past three years Josef Riha has been instructing them.

The team practice regularly once a week and learn a new routine every year. Once a year they organize a fund raising dance to help defray the expenses incurred, such as costumes, shoes and travelling expenses.

They go out to various Nursing Homes and hospitals and civic events to entertain, which they find very rewarding. In fact, they are seen as Ambassadors of the Club.
