

## BRITISH PAVILION

---

*R.C.A.F. Club  
Norman Rogers Airport*

The Canadian United Kingdom Dance Club welcomes you to the British Pavilion.

Come and share in some of those British customs and traditions you have heard about.

There will be dancing demonstrations which will include old time dancing, modern ballroom dancing, English country dancing and other British folk dances. Spectator participation will be encouraged in periods of general dancing.

Outside there will be "All the Fun of the Fair" with attractions especially for the children. Afternoon tea will be served in a quiet corner with strawberries and cream and traditional British delicacies. There will be fish & chips served British style and other dishes common to the British Isles. Exhibits will include vintage motor vehicles, British crafts and British tourist attractions. British products will be on display and will include Harris tweeds, linens, fine china, crystal and pub ware. These and inexpensive souvenirs of your visit may be purchased. A pearly king and a befeater will be there for you to meet.

We hope to have continuous activities inside and out during the day starting on the hour and half hour. Please check local press for more programme details.

All this leads up to two great evenings of entertainment in the true British pub style with a sing-a-long, entertainment and dancing.
