

CANUK DANCE CLUB UPDATE

October, 2021

Hi CANUK Club Members,

Another month has passed and the province is starting to open for social events. Covid19, the scariest of Hallowe'en treats, is still around us. So the executive are still not ready to endorse the start of club dances yet. We'll continue to monitor the situation monthly.

Looking for more romance as the cooler weather descends upon us? Try the Rumba. Clear some space in a room and play some rumba music. May I suggest this [Rumba mix](#) on YouTube . Large spaces are not required to dance to this slow and sultry "dance of love."

Don't forget there's always our website, canukdanceclub.ca for your enjoyment. View photos, get on-line dance instructions, and enjoy chats with members.

That's the update for now folks. Stay safe and Happy Hallowe'en!

Sincerely,

Peter Renaud

Your CANUK Club President
