

# CANUK DANCE CLUB UPDATE

December, 2021

Hi CANUK Club Members,

It appears that the Grinch has got the best of us again this holiday season. Based on Ontario COVID-19 public health measures and advice, and the current situation in Kingston, our dances are still in a holding pattern. The Executive continue to monitor the situation. We regret that the New Year's Eve dance will not happen again this year. When we do start up, it will likely be a soft start where we'll limit numbers so that social distancing can be observed.

## *12 days of Christmas Ballroom Dancing*

*On the first day of Christmas my partner gave to me, a kick just below the knee*

*Two new dance shoes*

*Three cha-cha-chas*

*Four count reminder*

*Five requests to Jive*

*Six tickets to Blackpool*

*Seven Waltzing Matildas*

*Eight mambo hip sways*

*Nine ladies line dancing*

*Ten o'clock notice it's over*

*Eleven dashing Sergeants*

*Twelve mints for fresh breath*

*And a kick just below the knee!*

Stay safe and Happy Holidays!

Sincerely,

*Peter Renaud*

Your CANUK Club President
